The Lake City High School Booster Club wants to extend our thanks for the support we have received for high school activities. It is hard to believe it has been 13 years! As we celebrate over a decade of traditions and established excellence in all sports and activities, we hope you will take the time now to consider beginning or renewing your Lake City Booster Club Membership for the next year.

If you enjoy high school activities, a Booster Club Membership is an excellent way to attend a variety of events at a reasonable cost. Please consider the Membership Categories and choose the one that is right for you. A Silver Club Membership, for instance, includes two activity passes which entitles the member to admittance to regularly scheduled home games - a savings of \$4 per person for each event attended. This membership would pay for itself in just the Fall season alone!!

For additional information, contact the office at Lake City High School (769-0769), Josh Beebe - Membership Representative (676-9412), or any Booster Club Board Member.
